

# TAYLOR TIPS

## Turbo Charge Training Program

Taylor Company offers FREE hands-on Turbo Charge Training on the Taylor C602 Shake/Sundae machine. The program focus includes proper operation, opening and closing procedures and cleaning process. This training will improve daily operations and prolong equipment life. Successful Turbo Charge Training will increase profitability while creating a better customer and crew experience.

Contact your Local Taylor Distributor today to set up your **FREE** Turbo Charge crew training.

WHY? If I operate my equipment properly, I will have ...  
GREATER UP TIME, GREATER PROFITS
